**What's inside:** we prioritize clean, simple botanical ingredients.

- plant-based
- palm-oil free
- petrochemical free
- organic ingredients
- gluten-free + wheat-free

**Finding ingredient lists:** Use QR codes throughout the store to find online listings, or look up the product code (B3, T9) in the ingredient card catalog or on existgreen.com.

**Spot-test before you commit:** One of the best parts of refills is buying (just what you need) to try a new product before committing to a full bottle.

**Self-serve or counter:** Most refills are on the floor. Items marked  are filled behind the counter for product integrity or spill protection.  marks the few that contain beeswax.
